Oops. Now, I see. These are comments on language in the Pocket Policy.

Hi all,

I ran the language by my folks and we suggest the following revision:

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Let me know if you have any questions about the edits

Ex. 5 Deliberative Process (DP)

Hi there –

I think you have seen the blue bound scientific integrity policies. We printed these a few years ago and have been distributing them. In them we made some updates to the Scientific Integrity Policy including some language to reflect our coordination agreement. I believe Carolyn Copper originally approved the language. We are about to distribute them again and I wanted to be sure the language we used is still acceptable to OIG. The changed language is in red.

Ex. 5 Deliberative Process (DP)

Thanks so much for taking a look! Please give me a call if you have any questions!

Best,
Francesca
